

Hello Parents and Tennis Campers,

My name is Chris Wundram and I am the Head Boys Tennis Coach at Linn-Mar High School. This summer I will also be the Camp Director of both camps we offer on Monday and Tuesday evenings. I wanted to first say thank-you for signing up to be part of our summer program.

Over the past 13 seasons the Linn-Mar Boys Tennis Team has been one of the top programs in the state. The team's recent unmatched success has claimed 39 individual state qualifiers, 12 conference/district championships (8 straight!), and 3 team/individual state championships including winning the 2018 State Championship! While we are proud of our former and current athletes, we also need to look towards the future to keep Linn-Mar Tennis successful. You play a key role in this process by having your son/daughter play tennis this summer and having them involved with our program. Our goal is for your son/daughter to be the next state qualifier, or maybe even our next state champion. So thank-you again for being involved in our program and for signing up. We hope you enjoy our camp this summer!

**Below are a couple reminders/suggestions before our camp starts next week:**

-The camp begins June 10th or June 11th (depending on what day you signed up for). It will be held at the Linn-Mar High School Tennis Courts. Monday night camp is from 5:45-7pm. Tuesday night camp is from 5-6:30pm for the girls session and 6:45pm-8:15pm for the boys session.

-As noted on the registration, there is no camp 4th of July week (Monday, July 1st & Tuesday, July 2nd)

-Bring water/drink to every session. We don't have access to water at the tennis courts so it's very important that your son/daughter has their own water jug/drink.

-Make sure your son/daughter dresses in athletic/light fitting clothing including tennis shoes and athletic shorts. During the summer the tennis courts can be very hot. Anyone not wearing athletic shoes will not be allowed to participate that night.

-Bring your own tennis racket to every session.

-Sometimes at the end of a camp day we will give out awards (sometimes candy). If you don't want your son/daughter having candy or if their diet is restricted please let us know. (If you could remind them as well, we would appreciate it!)

-Should the weather be questionable, please check @linnmartennis on Twitter for updates. You can find the link on [www.linnmartennis.com](http://www.linnmartennis.com) as well. Should we cancel two sessions or less during the summer, it will not be made up. (It's why we do a full summer camp, instead of just one week. Our camp is longer than most other camps). However, if more than two sessions are cancelled due to rain/excessive heat we will make that up the last week at a date TBD.

-If you are looking for your son/daughter to take additional lessons (either group or private) contact me and I can go over some options with you. Playing year round is very important to be successful at the high school level.

Finally, if you have any questions, feel free to contact me by either by email, phone, text, or in-person on camp night.

We will see you next week!
