

Dear Linn-Mar Tennis Supporter,

The Linn-Mar Boys Tennis program is dedicated to the advancement of our boys' personal and athletic goals. We hope to provide a program that is enjoyable and rewarding for all participants. As coaches we are working to develop a program that continues a strong history of large participation of athletes and a tradition of success. Our team has had great success in recent years winning seven straight district titles and the IHSAA State Team Championship in 2015 and 2018. We look to build on that success this season and we hope you will be part of our team.

We are asking our local businesses and families to consider a donation to the program. Your donation will help with covering costs that benefit our athletes such as senior night, season awards, and our end of season banquet. With your donation, your business/family will be featured on our 2019 poster which will be distributed throughout the community. Please take time to fill out the attached form and send it with the athlete.

Thank you in advance for your generous donation.
